

WARNING– Combustible liquid – Keep away from sources of ignition, flames and hot surfaces. No Smoking.

PERMETHOR SHIELD Liquid Insecticide must be under the personal control of an approved handler when the substance is –

- a) Applied in a wide dispersive manner, or
- b) Used by a commercial contractor.

TOXICITY

Harmful – Harmful if swallowed inhaled or absorbed through the skin. Causes mild skin irritation. Avoid skin contact. Facial skin contact may cause temporary numbness. May be fatal if swallowed and enters airways. May cause damage to organs through prolonged or repeated exposure.

ECOTOXICITY

Very toxic to aquatic life with long lasting effects. Avoid contamination of any water supply with product or empty container. Hazardous to terrestrial vertebrates. Hazardous to terrestrial invertebrates.

PRECAUTIONS

Keep locked away and out of reach of children. Avoid contact with eyes and skin. Do not inhale spray or mist. When mixing and applying wear protective clothing such as cotton overalls buttoned to the neck and wrist (or equivalent clothing), elbow-length PVC gloves and face shield or goggles. The use of gloves is recommended when PERMETHOR SHIELD Liquid Insecticide is applied using the dipping method. Remove protective clothing, wash hands and exposed skin after use and before eating, drinking and after work. Wash gloves and protective clothing daily. Do not eat, drink or smoke when using this product.

PERMETHOR SHIELD Liquid Insecticide must only be used as a spot treatment, this includes spot spraying, dipping (for treatment of fabric, nets and clothing) and wood drilling or injection (when used as a termiticide).

STORAGE AND DISPOSAL: Store in the closed, original container, in a cool well-ventilated area out of the reach of children. Do not store for prolonged periods in direct sunlight. Triple rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots in compliance with relevant government regulations. Do not burn empty containers or product. DO NOT reuse container for any other purpose. Collect any spillage.
